**"Michael was absolutely fantastic and got all of our guests up on their feet. We let our wedding party choose songs for his acoustic set and they loved it. He performed each song to an extremely high standard, adding his own little twists. His dj set then kept the party going until midnight. Very accommodating and played all requests from our guests. Perfect end to the perfect day."**

***Mrs Stevie Pugh (Hall)***

**"Michael was due to play during the signing of the registry but when we had power cut at the church and the bride was waiting outside he was called upon to sing the processional too, a last minute panic for me but Michael took it in his stride and performed brilliantly, it made our day and our guests loved it... Michael went on to perform all afternoon and our first dance which he learned for the day, absolutely fantastic and thoroughly recommended!"**

***Mr Bruce McLaughlin***

**"Michael performed at both the church for the ceremony and then at the venue during the drinks and through to dinner and the first dance. He had a great range of music, played the songs we had chosen and even stepped in when we didn't have any electricity at the church for the organ and so played the entrance and recessional music which hadn't been planned."**

***Mrs Claire McLaughlin (Rogers)***

**"Michael get our evening reception started by playing 2x 45 minute sets, , I picked all the music he played from an extensive list, the first half was a bit more chilled and the second set really got the party started, everyone was up dancing! He even played our first dance song so it was nice and personal. I would highly recommend, I just wish we could do it all again!!!"**
